cis112-week11: Heap, Heapsort and Priority Queue

v2025-05-04

Content

Goal

G1. MaxHeap implementation

1. Use anything, including AI tools, to correctly implement `HeapMaxString`.

2. Use `HeapMaxString_Test` to test your implementation.

3. Add some more test cases to `HeapMaxString_Test`.

Challenge

C1. MinHeap implementation

1. Use anything, including AI tools, to correctly implement `HeapMinString`.

2. Use `HeapMinString_Test` to test your implementation.

3. Add some more test cases to `HeapMinString_Test`.
